# Peabody Community Foundation

**We play a key role supporting our residents.**

Our targeted community investment programme supports residents to become healthier, wealthier and happier.

We work with residents and partners to combine our funding, skills, experience and resources so we can offer the widest possible range of services, support and opportunities.

Peabody

# Economic Inclusion thematic workstreams

## Employment

- Supporting people into work or “better” employment. A job, a better job and then a career
- Residents to have sight of and access to support
- Directly with Peabody, partners, on our developments or with our suppliers
- Here and Now / long-term support available

## Skills + Training

- Commissioning and facilitating training in growth sector / future skills areas
- Vocational and functional skills training offer (Maths / English / CSCS / H&S)
- Childcare Initiatives
- Research and Data-led (Peabody Index)
- Resident steer

## Enterprise Start-up and Growth

- Supporting people to start-up, grow and scale their business aspirations
- Filling the commercial / community space we have
- Opportunities to trade at events / pop-up’s we deliver
- Procurements with us / suppliers / developers

## Social Value

- Legal requirement to measure the social, economic and environmental benefit we provide through our procurement activity
- 20% weighting on all major Peabody contracts
- Lead and monitor Community Insight Tool – HACT
- Coordinate with local Community Investment Team

Targeting those that need support most with both a universal and regionally bespoke offer
